Hello Northeastern Elementary School Parent,

This letter is to notify you that Northeastern Elementary School received an **A** for the 2011-2012 school year from the Indiana Department of Education. This grade reflects Northeastern Elementary School's most recent academic performance. Indiana's A through F grading system is designed to provide you a clear and concise assessment of how well your child's school is doing.

Letter grades are calculated based on data collected throughout each school year. Indiana recently shifted to a more comprehensive way of measuring and reporting school performance, as required by state law. These grades take into account a variety of factors, namely student performance and student growth.

Attached you will find an informative A through F document provided by the Indiana Department of Education. This document can help answer questions you may have about the grade of your child's school.

You can view the A through F school accountability report card for Northeastern Elementary School at the Indiana Department of Education's COMPASS website at compass.doe.in.gov. This report details all of the components that factored into Northeastern Elementary School's letter grade this year.

If you have additional questions, please feel free to contact us at (765) 847-2595. Thank you for your continued support of your child's education.

Sincerely,

Mr. Sam Pritchard

Principal
