## Car Riders

Parents,  
I want to thank those of you who continue to use the PikMyKid dismissal system in the afternoons. Things run smoothly and it helps keep our students safe. Please remember, only preschool families should enter the building to pick up their children in the afternoon. All other families, unless they have a scheduled meeting, should get their student(s) from the parking lot curb.

Please remember that students are to be dropped off in the mornings at the curb. If you are choosing to park and walk your child to the building, you MUST use the crosswalk and escort your child to the building. Please do not send your students across traffic unattended. Our 5th Grade Safety Patrol is there to help you and ensure everyone enters safely. We appreciate your cooperation.

Mr. Pritchard

## Food Drive Update

Hope that everyone had a wonderful Thanksgiving holiday! Our annual food drive was a success! Northeastern Elementary was able to collect and provide generous size food boxes for 24 local families to assist with their thanksgiving meal and winter months ahead! We appreciate all the contributions made to make this happen! All of the families that received the boxes were grateful and appreciative for this kindness. We are blessed in this community!
